Remarks

The Notice of Non-Compliant Amendment (37 C.F.R. §1.121) has been received and reviewed.

Applicants wish to bring the Examiner's attention to the fact that a new claim set (i.e., claims 1-13) was submitted in an Article 34 amendment in the International Stage. A copy of the new claim set in German (i.e., claims 1-13) is attached as an annex to the International Preliminary Examination Report, both of which were included in the National Stage filing documents. An English language translation of the new claim set (i.e., claims 1-13) was also included with the National Stage filing documents.

The Preliminary Amendment submitted concurrently with the National Stage application on 4 February 2005 reflects changes from the above-referenced claim set (i.e., claims 1-13) submitted in the Article 34 Amendment in the International Stage. Thus, Applicants respectfully submit that there is no claim 14 missing, and that the Preliminary Amendment submitted on 4 February 2005 is in full compliance with 37 C.F.R. §1.121.

In the event that further clarification is needed, the Examiner is requested to contact Applicants' Representatives at the below-listed telephone number.
